WORLD BRANDS MANUFACTURER
-SOCKS-

The image shows a large industrial building with a curved, metallic, reflective facade. The building's central section features a dark panel with the company logo and name. The logo consists of a stylized 'D' with a double slash inside. Below it, the word 'DİLEK' is written in a bold, sans-serif font, followed by 'ÇORAP' in a smaller font. The entire facade is covered in large, rectangular panels that reflect the surrounding environment, including other buildings and the sky. The building has a modern, industrial look with a prominent arched roofline.

WE PRODUCE

DESIGN

Our drawings and **collections** are done by our experienced designers in a fashion and trends. **Our expert teams** are developing and delivering custom designs to your liking in accordance with your request. Our goal during this process is to combine **professionalism** with aesthetics to provide the capability to reflect in **socks**.

PRODUCTION

D-DK Socks is one of the leading socks manufacturers in **Turkey** with its machinery equipment, **technology** and wide product range. It is capable of responding to customer standards at the highest levels, with machine diversity and efficient production experience. Continuity in product **quality** with its innovative structure and principle of adapting to current technologies

TOE SEAM

Our experienced staff is at your service to meet your needs at the highest level with **high quality** and different features in toe sewing machines. In line with customer demands, the toe seams of the **socks** produced can be made in three different ways: Comfort Fine Rosso , standard Rosso toe and Seamless toe .

DYEING & WASHING

With the dyeing and washing machines it has, all dyeing, **washing** and testing processes required by its customers are carried out by Dilek teams in the **Dilek laboratory**. In laboratories approved by international companies, expert personnel work to meet customer expectations in the best way.

Different pre-washes such as antibacterial (Sanitized, Aegis, Purista), Aloe Vera or silicone **washing** can be applied to the socks with our leading brand machines in the washing department.

METAL CHECK

After the **socks** are placed in the boxes, before the products reach the final stage, they are passed through the **metal check** machine in line with the customer's requests, and the products that pass the control and made ready for shipment.

SHIPPING

Carefully prepared products are delivered to **shipping** teams to be delivered all over the **world**.

Dilek Sock, with a monthly production capacity of 2.000.000 pairs, besides its strong production track; With its integrated system, it offers its customers a wide range of high quality products with unique designs.

Dilek Sock family, based in Istanbul in 1971 on the principle of quality production and export, received the Dilek Sock brand patent in 1978 and opened its first store the same year. In 1986, with its rapidly growing brand value, it incorporated the Özdilek brand.

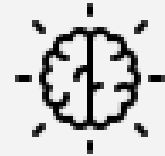

D-Dk Socks

D-DK SOCKS

ÖZDİLEK

Tic Tac Toe

A glass sphere, resembling a terrarium or a lens, is the central focus. Inside the sphere, a miniature forest scene is visible, featuring a large, leafy green tree in the center, several smaller evergreen trees, and a lush green grassy field. The sphere is resting on a bed of dark soil and green moss. The background is a soft-focus green, suggesting a natural, outdoor setting with sunlight filtering through the leaves.

WE CARE

D-DK SOCKS upholds the highest standards with “Level A” on the BSCI system and “Product Class 1” on Oeko-Tex Certification, ensuring our commitment to excellence.
